

# Certificate of Approval

This is to certify that the Management System of:

## EGEM s.r.o.

Novohradská 736/36, 370 01 České Budějovice 6, Czech Republic

has been approved by LRQA to the following standards:

### ISO 14001:2015, ISO 9001:2015, ISO 45001:2018, ISO 50001:2018

Approval number(s): ISO 14001 – 0053308, ISO 9001 – 0053309, ISO 45001 – 0053310, ISO 50001 – 0051494

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

Turnkey supply of power plant equipment in the energy sector. Design and manufacture of low voltage switch boards. Design, installation, assembly and repair of electrical equipment, electrical machines and devices and related compliance inspection, diagnostics, maintenance and servicing. Design, development, erection, repair, maintenance and compliance inspection of outer power lines without voltage limiting. Design including of structural analysis, assembly and repair of associated metal structures. Design and procurement of realisation, modification and removal of related constructions.

**Marta Escudero**

Regional Director, Europe

Issued by: LRQA Limited
